2. Lr No. 10917/2019-S1 dated 28.12.2019 from The Director of Treasuries.

ORDER

As per the GO read 1st paper above, it was ordered to implement the new system of e-TR-5 receipts with effect from 01.01.2020; and the old TR-5 receipts will not be valid after that.

Now, as per the letter read 2nd paper above, the Director of Treasuries, has submitted a proposal to extend the implementation of new system up to next financial year; as the new initiative by Government needs sufficient time to introduce the same in a foolproof manner.

Government have examined the matter in detail and are pleased to order that the implementation of the new system of e-TR-5 receipts is postponed to next Financial year **(from 01.04.2020 onwards)**.

Director of Treasuries should ensure the preparedness in this connection in consultation with NIC, Director of Printing and Stationery Controller and furnish an ATR to Government by first week of March 2020 itself.
