

GOVERNMENT OF KERALA

Finance(Planning-A) Department

No.17 /2017/Fin.

Dated, Thiruvananthapuram, 25.03.2017

CIRCULAR

Sub:- Implementation of Central Sector Schemes – Issuing of administrative sanction - Clarification- Reg.

As per the guidelines of Central Sector Schemes (100% funded), funds are released to State Government departments or separate agencies directly by Central line Ministries without routing through State's Consolidated Fund so as to avoid delay in implementation of Central Sector Schemes. But it has come to the notice of the Government that there occurs procedural delays in the implementation of Central Sector Schemes and implementing departments are finding it difficult to spend central funds for want of administrative sanction.

2. In the circumstances, in order to ensure the smooth and timely implementation of 100% funded Central Sector Schemes, it is clarified that administrative sanction need not be issued from the State Government for the implementation of such schemes wherein central funds have already been released directly to the bank account of the implementing departments by Government of India without routing through State's Consolidated Fund. The implementing department can spend the Central funds released directly to their bank account by Government of India without any administrative sanction from the State Government.
