From

Additional Chief Secretary (Finance)

To

The Director of Treasuries
Thiruvananthapuram.

Sir,

Sub: Disbursement of TA claim sanctioned under plan head – Reg.

As per the existing system, all HR related claims such as salary, allowances, TA, MR, IFMA, PF claims etc. of employees are to be generated through SPARK and corresponding heads of account are mapped in SPARK also. All the other head of accounts which are normally not meant for HR related claims are mapped in BiMS so that bills debiting to such heads can be generated through BiMS.

It has been brought to the notice of Government that some HR related claims such as TA, some other allowances, etc. are being met from head of accounts (eg. Plan heads) other than regular Non-Plan heads earmarked for that. In such cases, bills can be generated through BiMS only.

In the circumstance, you are requested to issue necessary directions to all treasury officers to honour such bills in BiMS itself and not to insist SPARK bills for such claims, till further directions are issued.

Yours faithfully,

SURESH KUMAR O. B.
