ORDER

As per the Government Order read above, orders have been issued revising pay and allowances of the State Government Employees and Teachers on the recommendation of the 10th Pay Revision Commission, wherein the categories of Driver Mechanic, Fireman, Leading Fireman and Fireman Driver-Cum-Pump Operator Gr.I & II in the Fire and Rescue Services Department have been sanctioned Risk Allowance @ Rs.100/- per month and Uniform Allowance @ Rs.4500/- per annum, and Assistant Station Officer/Station Officer @ Rs.4000/- per annum. The Director General, Fire and Rescue Services vide his letter read above has reported that the Risk Allowance now sanctioned to Fire Force personnel is very meagre and that the risk factor involved in the job performance of Fire Service personnel is very high compared to any other categories which are paid Risk Allowance, and so he has proposed to enhance the allowance appropriately. He has also reported that owing to the peculiar working

condition of Fire Force personnel, the employees have often to work under shabby atmosphere and therefore they have to replace the uniform with new one frequently; but the Uniform Allowance now paid is not enough to meet the expenditure incurred for the purpose and he has therefore requested to enhance the rate of Uniform Allowance of Fire and Rescue Services personnel.

2. Government have examined the matter in detail and are pleased to enhance the rate of Uniform Allowance and Risk Allowance to different categories of employees in Fire and Rescue Services Department as follows:-
