ORDER

As per Government Order 2nd read above, sanction was accorded to Government Departments to use the services of M/s. MSTC Limited, a Government of India PSU for e-auction of usable or scrap vehicles/materials for a period of three years. Now the term of contract with the above agency has expired. Consequently M/s. MSTC has made representation before Government to take necessary action for renewal of the agreement. The high level meeting held on 21/12/2017, after assessing the feedback from the stakeholder departments, recommended to renew the agreement with MSTC. Government is also of the view that the system would facilitate speedy disposal of confiscated vehicles and that competitive/transparent bidding in the auction of usable or scrap materials would earn more revenue to the state exchequer.

2. Government after examining the matter in detail, are pleased to accord sanction to permit all Government Departments to avail the service of M/s. MSTC Ltd. for disposing off the scrap vehicles/materials through e-auction for a period of three years after entering into a common agreement/MoU with the corporation. All Government Departments are also directed to register on GST portal so as to avail the service of MSTC, unless otherwise directed. The GST shall be deducted from the sale proceeds of scrap materials, collected by the corporation. All the other conditions will be the same as stipulated in the Government Orders read above.
