**ORDER**

The State Government has been implementing various projects for the development of infrastructure in rural areas of the State with loan assistance from the Rural Infrastructure Development Fund of NABARD and these financial assistance are intended to be used for the creation of durable assets. Also the Administrative Departments were requested to recommend only the project proposals of Government Departments/ LSGIs/ Government owned Companies/Agencies/ Autonomous Bodies for financial assistance under the RIDF of NABARD. Now assistance to Infoparks and Cyberparks are being sanctioned as Working capital assistance as envisaged in Plan Write up. But usually the NABARD assistance to Public Sector Undertakings are being sanctioned as loan on back to back basis with the same terms and conditions of NABARD RIDF loan.

2. Vide reference 1<sup>st</sup> cited government has decided to convert NABARD – RIDF assistance released for the project Integrated 'Infrastructure for Cyberpark, Kozhikode' as loan stating that it was not released as Capital Grant. However, proposals are now being received by Government from Infoparks and Cyberparks to keep the NABARD assistance released to them as capital grant.

3. In the above context, Government have examined the

matter in detail. Since the Government is repaying the NABARD loan with interest and also considering the resource constraints of the State, it is decided to consider the amount released/releasing as NABARD assistance to Infoparks, Cyberparks and all other Public Sector Undertakings as loan on back to back basis with the same terms and conditions of NABARD RIDF loan from Tranche XVII onwards.
