G.O (Ms) No. 473/2015/Fin

Thiruvananthapuram dated 20.10.2015

Read:- Decision of the Academic Committee held on 04.09.2015

ORDER

Centre for Training in Financial Management is conducting training programmes in financial management and related topics for the employees of Finance Secretariat and its line departments in particular and the employees of all departments in general. Officers of Finance Department are also nominated for training programmes outside the state through Centre for Training in Financial Management (CTFM). While making correspondence in academic matters with other national and international training institutions, the usual designations such as Assistant, Section Officer, Under Secretary etc couldn't give much impact in the Academic circles. Hence the Academic Committee of CTFM had proposed redesignation of the posts of Officers of Finance Department, who are handling the charges of CTFM under Finance (CTFM) Department in Government. The designations will be used only for academic related purposes and incurs no additional expenditure on Government.

Government have examined the matter in detail and are pleased to order the following re-designations in addition to their existing designations.

1. Additional Secretary / Joint Secretary in charge of Finance (Administration) Department, who is holding the charge of Centre for Training in Financial Management may be named as "Director, Centre for Training in Financial Management"
2. Deputy Secretary / Under Secretary in charge of Centre for Training in Financial Management may be named as "Joint Director, Centre for Training in Financial Management"
3. Accounts Officer / Section Officer in charge of Centre for Training in Financial Management may be named as "Deputy Director, Centre for Training in Financial Management"
4. Assistants / Assistant Section Officers working in Centre for Training in Financial Management, whom the co-ordination of each courses are entrusted with may be named as "Course Co-ordinator, Centre for Training in Financial Management"

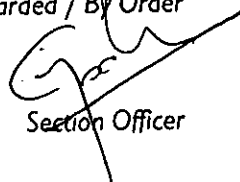

These additional designations will be used by the officers only for academic purposes and bears no additional expenditure.
