(3) GO(P) 7/2016/Fin dated 20.01.2016

ORDER

The scales of pay and other benefits of the employees under the State pay pattern in the Legislature Secretariat, the Government Secretariat (the Executive) and the High Court were being revised along with state Government employees and teachers on the recommendations of the Pay Revision Commissions appointed by the State Government and on separate report in the case of High Court employees since 1997. It was decided, in the meeting between the Chief Minister and the Chief Justice, to maintain a uniform structure in pay and allowances and other benefits among similar categories of employees in these constitutional institutions. As per the G.O. read as 1st above, it was ordered to extend the benefits granted to the employees in Government Secretariat from time to time to the corresponding categories of employees in the High Court of Kerala also. The benefit of 2:1 ratio promotion was applicable to Under Secretary and Under Secretary(HG) of the Secretariat and similar cadres of Assistant Registrar and Assistant Registrar(HG) in High Court Service upto 8th pay revision. But as per G.O read as 2nd above sanctioning 9th pay revision to High court employees the above ratio was revised to 1:1 between Assistant Registrar and Assistant Registrar(HG) posts. As a uniform pay structure is prevailing in these three apex constitutional institutions, Government are pleased to extend the above benefit to the similar cadres of Under Secretary and Under Secretary(HG) in the Legislature Secretariat and Government Secretariat (the Executive) ie, the ratio between Under Secretary and Under Secretary(HG) in Government Secretariat and Legislature Secretariat will be modified from 2:1 to 1:1 with effect from 01.04.2016.

2) Accordingly the existing foot notes 'a' at pages 141,142,144 and 148 under the department schedules of Administrative Secretariat, Finance Secretariat, Law Secretariat and Legislature Secretariat respectively will be substituted with the notes 'Existing ratio is modified as 1:1'

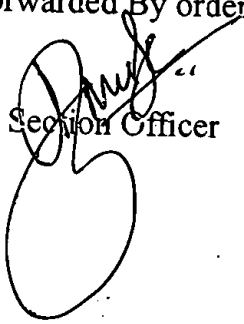

The GO read 3rd above will be modified to this extent.
