

GOVERNMENT OF KERALA

No.8/94/Fin.

Finance (Expre.B) Department,
Thiruvananthapuram, 31-1-1994.

CIRCULAR

Sub: Delegation of financial powers -. Issue of orders in
respect of delegation of powers from Finance
Department - Instructions - reg.

...

According to the Rules of Business, Finance Department is the authority competent to issue orders on delegation of financial powers. The present practice is that proposals for delegation of administrative as well as financial powers are considered by the Empowered Committee constituted for the purpose and their recommendations placed before the Council with/without further consultation with the Finance Department. Orders are being issued by the concerned Administrative Department. Since delegation of financial powers is a subject allotted to Finance Department as per the Rules of Business, orders in this regard have to be issued by the Finance Department. All Departments of the Administrative Secretariat are therefore requested to forward proposals for delegation of financial powers duly recommended by the Empowered Committee to Finance Department for issuing orders.
